**Name** _____   **Class** _____

You have:

$100.00

Your job is to give your person an outfit of your choice while keeping in budget. Select the items of clothing by cutting around the clothing items and sticking them onto your character. Make sure to keep track of how much you are 'spending' by filling in the table below.

| Clothing item	Price
T-Shirt	
Pants	
Hat	
Shoes	

TOTAL:

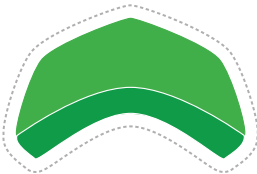

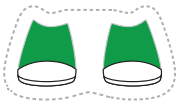

$15.00 $25.00 $50.00

$20.00 $25.00 $50.00

$10.00 $25.00 $50.00

$10.00 $25.00 $50.00
